Parents who sign up for Think Small ParentPowered Texts receive three messages per week with fun facts about your child's development, and easy to implement tips on how to encourage intentional learning in the everyday moments like snack time, going to the store, or getting ready for bed.

Think Small ParentPowered Texts provides continuous support to parents throughout the year, doesn't require a great deal of time, and covers all areas of development—social-emotional, health, literacy, and math skills.

All messages are based on your child's birthdate (mm/dd/yyyy). Guaranteeing as your child grows, your messages will always be appropriate for their development.

**Example one:**

**Monday Fact:**
When your baby spends time on their tummy, they're building the neck and torso strength needed for physical movement. Any time is great for tummy time!

**Wednesday Tip:**
When your baby is awake and alert, place them on a soft blanket on the floor (tummy down). Say: Hello baby, you're on your tummy. Do they lift up?

**Friday Growth:**
Keep up the tummy time. You’re building your baby’s strength! Now shake a colorful rattle just above your baby’s head to encourage them to look up.
